

So here we are approaching April, and along with it Easter and school holidays.....weren't the kids just on holiday? So what are you all up to for Easter and the holidays? For me it will be total family time and extra exciting as the UK family are over! Chloe is also all about family, having time off over Easter to head home to Whakatane.

We will be open Easter Saturday by appointment only, so if you want/need to come in, book now.

New Staff Member! Welcome the fabulous Amy Fernando. Our sassy Amy finished her training in July last year and is very much looking forward to meeting you all. She has great hands on her so I know you'll love her treatments.

And guess what?!? All three girls are now fully Dermalogica certified which means you can have complete confidence in their ability to advise on all things Dermalogica.

Chloe has been in love with the Age Smart Skinperfect Primer SPF 30; "it feels silky smooth and is a great make up base."

\* Stimulates collagen production to increase skin firmness.

\*Has a silky feel and provides a smooth surface for a "soft focus" effect. RRP \$94

Adele has discovered, and so has her hubby for that matter, the Agesmart Dynamic Skin Recovery SPF50. Benefits include Providing long-lasting hydration and critical protection against UV light. Helps control the triggers that lead to skin ageing. Blends smoothly into skin for a perfected finish. RRP \$122

New from Blinc we have this awesome eye shadow pallet. 10 great hues and a brush should see you right coming into the cooler months. The eye shadows are beautiful and easy to use. The pallet also has an awesome price tag of just \$89! Where else (ok apart from the \$2 shop) could you buy 10 eye shadows for just \$89?

**What's the BIG Deal?!**  
School Holidays are upon us so since we have our great Clear Start products, if you buy 2 in April we will give your gorgeous teen a FREE Express Facial!! We have great prices for teen students as we believe they should be looking after themselves to set them up for the future. So mini facials are \$40 or \$49 with an eyelash tint. Waxing; we strongly believe every girl should be waxing instead of shaving - by the time they are 20 they will be hairless! We charge \$15 for a half leg and \$20 for a half leg with underarm or bikini or Eye brow shape. Give your daughter a great start. She will love our Amy!

If you are a grooming client with us (like waxing, eyes, pedicures....) and would like to try a facial, then book in for 2 Express Facials at \$120 for both, and get a FREE skin care kit, valued at \$75. While stocks last so book NOW!

If you are already a Facial client, then we'll upgrade you to an Omnilux over April!!

This year marks 20 years since Adele finished her training and received the 'Therapist of the Year' cup (which her 4 year old nephew is convinced is the 'Piston Cup' from the movie Cars!). Anyway, for the rest of the year we will have a \$20 deal going for the month - April's \$20 deal - A Bikini Wax!

Exciting news for us and you! We are finally moving with the times and doing away with our paper diary...we're going digital. What this means for you, is that you will be able to book your appointments online via our FaceBook page and our Web Page, and you will get text and e-mail conformation and reminders. So please bear with us when we ask to update your details. We are planning to go live on the 1st April...no joke! We will send out an email with all the online booking details just as soon as I know how it works (still yet to have that training from hubby!) Keep an eye on Facebook, yet another reason to 'like' us and we will also have a link on the website. If you are a technophobe, kinda like me (finding it very hard to let go of the paper diary I have to say) you will always be able to ring us!
