Adele - Visited her Nanny and Poppa in Kaitia and played tourist up at Cape Reinga. She is also selling Girl Guide biscuits, so if you want/need any..... come into the shop, we've got plenty!

Joylene - is back with loads of stories to tell about her Thailand trip. She had a great time and is already planning the next one!

Marion - unfortunately we were unable to offer Marion a full time role, so she has moved on to find full time employment. We wish her all the best - it was such a great help to have her with us.

We hope you have all had a great Summer, despite it being a little damp and the sun not coming out to play as much as it should! Lets hope Autumn is dry and we can still enjoy being outside.

We have had a busy time here at Molliere's with our Famous February Special, we hope you took advantage of it! If you missed out never fear, there is always another great monthly special around the corner.

In the next few months we have a lot coming up.

March, we have 2 Free Facial days. April, we have Easter and great specials for you!

And May, well it starts off with Mother's Day and is also the 5th anniversary of Liz being at Molliere's.

So May is a BIG month for us, be sure not to miss out on that one!

We would also like to welcome to our team Jameela.

Jameela is our new part timer. She comes with loving hands and can't wait to meet you all!

We also have monthly giveaways on Facebook, so don't forget to 'like' us. Then all you have to do is comment each month on the give-away, and just like that you could be a winner!

January's give-away was a [comfort zone] After Sun cream, which now belongs to..... Angie Atkinson! Congratulation Angie.

February's give-away was a Facial and an Omnilux, and all you had to do was say what your favorite part of a Facial is!

How hard is that? If you don't have FB then be sure to go to our website www.mollieres.co.nz and subscribe to our newsletters and we will e-mail you all the up-to-date goings-ons and wee reminders of our specials and new products!
