

Welcome to our first snazzy newsletter of 2015!

We hope you have all had a great Christmas and New Year, and are enjoying the holidays with all the sun and warmth that summer brings! We have had a couple of changes over the past year so let me fill you in...

Last Christmas (2013) Joylene left us for Aussie and is now in Sydney with her Beau enjoying life but still trying to find a great place to work that lives up to Molliere's! The lovely Chloe started with us in December 2013 and is going from strength to strength; we love our Chloe and she is an awesome therapist - believe me you will not be disappointed! Jameela left us in October of 2013 to help out her mum in their fabulous Thai Hut take-away in Oranga Ave, One Tree Hill and I can highly recommend it. Also in October we were joined by Xiaomei (pronounced Charmaine) and she is also a fantastic keeper. And of course I am still here after 12 years! This is the strongest team I think Molliere's has ever had and you will not be disappointed in any facial, massage or consultation you have with us...and that's a guarantee! So please come in and take advantage of our extensive experience great monthly specials.

2015 brings a change in our product range; we are now stocking Dermalogica which we LOVE! We don't have a problem with comfort zone, but we believe Dermalogica to be a better product and Dermalogica themselves offer great promotions. For those who want something a bit different we also now have

dermalogica
developed by The International Dermal Institute

SYNERGIE
protect . change . nurture

Synergie, which is another really great product giving amazing results that we have all seen in ourselves and in our clients.

So, we are all really excited about this year; our new monthly newsletters, our new products and more training. And so that we don't annoy you too much we will keep the emails just to monthly newsletters rather than emailing out daily deals. The daily deals you will find on our Face Book page, as well as last minute vacant spots and general day to day stuff. So go check us out and 'like' us and you will never miss out on a deal again!
