# What we did.....

Liz - After an adventurous 5 years we are all very sad with the news of Bunny's passing. He had a brave fight at the end, but has now found peace, and is waiting for Liz at Rainbow Bridge. Wolf hasn't been lonely for too long however and now has a new brother (a little one to pick on!) called..... yet to be named. He's very cute, floppy and cuddly!

Joybel - Has been trying to get to Snowplanet and master some snowboarding skills! And age is catching up with her needing a few quiet nights!! Hehe. These days you'll be surprised to find our Joybel walking up Mt Eden or at a spin class at the gym!

Adelle has been to Outward Bound. Her biggest challenge was dealing with the wet and cold! Nothing like swimming in the Marlborough Sounds in the middle of June! Is now off for 5wks in Europe!! YIPEEE, see you in October xo
