Guess what we did...?

Liz enjoyed Dog sitting Wally for a couple of weeks. They both loved getting out for walks, not too sure who took who for a walk tho! Liz now misses Wally and I'm sure he misses her too! She also has been bending herself at Mt Eden Yoga with Heidi, and can highly recommend it - why not join her?

Joybel has been to the Bay of Islands for Easter. She caught plenty of fish and showed up the boys with her fishing skills! She thoroughly enjoyed the sunshine but now she is waiting for the snow so she can get out on her snowboard!

Adele enjoyed a sunfilled Easter away a relaxing up north. And also caught up with Nicole – for those of you that remember her. She is now married with a cute 2yo boy and another on the way!

Jameela has been busy helping out her mum at her restaurant while looking after her boy, and she is really glad school holidays are over!

Welcome to Winter at Molliere's!
Hasn't the Autumn been great? It has been so nice to see the sunshine.

It was great to celebrate Lizz's 5th anniversary with Mollieres and to see so many of you come in and enjoy her Facial specials.

Jameela has settled in and is really enjoying meeting you all. We have had great feedback on her massages so if you want to enjoy a wee bit of 'me' time be sure to come and see Jameela for one of her fabulous massages (also see specials!)

Have you 'liked' us on Facebook yet? We have given away a Coffeeferry Facial for April to Dana; don't miss out, head to Facebook now and look us up!

Also a friendly wee reminder - if you need to cancel or reschedule we ask that you give us at least 24hrs notice. We know there are circumstances where you can't, but for the most part people tend to forget us :(We do try to txt or phone you to remind you of your appointment. We have people on a cancellation list, so if you don't remember to tell us and just don't show up, it costs us money and someone else misses out. We do have a cancellation policy that late cancellations and no-shows may incur the treatment charge as I'm sure you all understand.

Check out our Dress up night with Paisley on the 22nd June and our Make up Day on 21st July, as well as our A-MA-ZING Peel/Facial Omni deal thru-out Winter, and for those who just like to relax there's our [comfort zone] massage special..... Don't miss out!

Purchase your favourite Prio-ri LCA Barrier Repair Complex and get the LCA Eye cream for only \$60! This pack is great for dry, aged Winter skins! It is full of AHAs which are great for exfoliating the dead dry skin and deeply hydrating it. A great duo! BE QUICK! We also have the LCA Face

Mates in too, and these also offer a great saving.

We have had a lot of questions regarding cheaper products on the net. They are not the real deal! They come out of China and just like the hand bags and clothes they are made to look and feel like the real product. They have been purchased and tested by our suppliers who tell us they are made up of water, fillers and colouring to make them look right. You certainly wont get any results and you will also run the risk of adverse reaction.

The Real Deals...

3 Facials, 3 Peels & 3 Omnilux for \$399!

Can it get any better? Have you got dull, dry, skin? Age spots? Or is your skin just feeling a bit blah? Then this is for you!

- ♦3 Prio-ri LCA Facials to lighten, brighten, soften & smooth.
- ♦3 intensive LCA Peels to exfoliate, hydrate and smooth.
